“ Donna was 40 years older than me but she was a very special friend! We moved to Michigan in 1994 and John and Donna were our neighbors and less than a month went by when we met this dear couple, they came over for Zach's first birthday in the house and as we got to know each other we found out all our birthdays were just a day apart, mine next to Donna's and my husband Mark's next to John's. We thought it would be great to go out to dinner for our birthdays every year but we kept including them whenever we could . Our children were 1,3 and 5 when we moved in and they heard so many good life stories from them. We went to Tigers games together and when that got too much - we had a game day at their house with hotdogs, beer and of course some Cracker Jack popcorn. We spent many happy times together and you and John will be truly missed, we love you and will see you again on the other side! My prayers are with you and your family always! With all our love, Mark, Kathy ,Abby, Kyle, Zach, Lauren, Cooper and Tia
