“ It is with much sorrow that I returned from California today and learned of your fathers passing. To those of us who have traveled this road, take comfort in all the memories and know that each of you has friends to share in those memories or in your sorrow.
I am sorry I could not be with you to show my support or to visit with your mom, classmates Bob and Ron and their siblings. I am sure you had many stories to share and the love and support of friends and family. Sandy Hough Sipes

“ To my long time Schlappi Family friends: Bob & Ron, Randi, Peachy, Karen, Bobby Kay, and of course your Mom; my thoughts & prayers are with all of you during the loss of your dad. He was such a wonderful family man, a compassionate, caring person and father. I will forever treasure those days growing up on Liberty Street/Jackson Street with Bob, Ron, & I hanging out every summer day & at school being best buddies. I feel very fortunate as I see Bob (& Linda) frequently around town & at the Class of '67 luncheons & various get togethers. I feel bad that I couldn't make it to the Memorial Service yesterday. I was out of town helping my daughter & son-in-law setup for my Grandsons 2 year Birthday Party. I would have loved to have seen all of you again and reminisce about the old days.

Remember, your Dad's Love is in your Hearts; and you are surrounded by prayerful thoughts and support. May you find comfort in Precious Memories; and Peace during this Difficult Time.

With Sympathy.....Sincerely.....Tommy McDaniels

“ Karen: Loved spending time with you and your family. We could be a handful during some of the summer months. your parents always showed us a lot of love but also boundaries which we needed. Especially you Karen!!! But, all of you brought them a lot of laughter, love and family experiences you will always remember. Please give my love and sympathy to your mother. Bless you all. “ Our sympathy to your whole family - may your many happy memories bring you peace. Randi- remembering all the good times at your house and up north-especially the time we dropped the ham on the floor and was "excused" from the table because we couldn't stop laughing! Love to whole family- Bob and Norma (Love) Trommater

Norma Trommater - August 08, 2013 at 11:39 AM

“ Thank you Norma. Yes, I clearly remember that day and how we made a quick escape in the little fishing boat! One of these days we need to get together to rehash those memories. We sure had some fun times! Randi

“ Hard to put into words what this man meant and continues to mean to me. He was one of the most intellectually curious, kind, thoughtful and inspirational men I've ever known or had the great fortune to befriend. When I grow up, I want to be just like him.

“ My Uncle Lyle was special in my life. I remember the times, as a child, where I was welcome to share dinner with my cousins, even though there were six children to feed as well as the trips up north in the station wagon when there was always a flat tire when I was present. Bill and I will miss the conversations that we shared...Love to Aunt Ruth and all of my cousins who hold a special place in my heart. Lol, Becky

Rebecca Cole - August 07, 2013 at 09:07 PM
