“ Marguerite loaned my husband at time ,(Duane Waldrop and Janie Waldrop) in 1965. , the balance of down payment needed . for 1st home purchase. She was a great lady. Not many like her in these times. May God bless her family and comfort each of you, sincerely. Janie, now Phelps. Evert.MI

“ Whether she knew it or not, my Aunt Marguerite had a very positive influence on my life. During a spring break one year, I stayed with the family in Florida, and while Diane was in school she took me to a Salvador Dali art exhibit. Being young at the time, and having no idea who Dali was, I had doubts about the field trip that my Aunt and I were about to embark on. The whole trip left me in awe, and I was truly blown-away by the experience. She had a knack for keeping things interesting, and I will always have fond memories of the times we shared in Grand Ledge, Gun Lake, and Florida.

My deepest sympathies go out to those who were fortunate enough to have known her.

“ Marguerite was a wonderful older sister to me. A couple of good memories, was my first day of Kindergarden, she was the one to take me to my class room on my first day. After my marriage, we both lived in the same neighborhood, and after a bad snow storm in 1967, and me pregnant, she worried that I would go into labor and hired someone to clear out our driveway, even though my husband Ralph was stranded at a church in Portland and couldn't even get home himself. Our family loved going to the lake and visiting them. Also, visits to Florida were the best! Marguerite was a very giving person and I will miss her very much.

“ Sorry, I am in Raleigh,NC visiting my daughter and not able to attend. I have great memories of growing up with my older cousin Leon and Marguerite. She showed great gumption and strength by starting her own business. Hope the family can find peace and joy in her life and death.
