“ *I am deeply saddened by the passing of the beautiful young lady. We lived close to them and I would see her often running in grand ledge. Allison was always willing to pick my daughter Sachele up and walk with her to summer gymnastics at the high school. My daughter adored her. What a sweet young lady who battled demons for a long time. Allison may your worries be over and your body Rest In Peace now. You are one special person who will never be forgotten. Hugs to your family as they navigate life without you. God bless*
