

## Andrew "Andy" Allen Bosworth

April 4, 1971 - July 14, 2024

Andrew "Andy" Allen Bosworth, age 53, of Riverdale, GA died with family by his side, on July 14, 2024, at Brightmoor Hospice House in Griffin, GA after a courageous battle against cancer. He was born at St. Lawrence Hospital in Lansing, MI on Palm Sunday, April 4, 1971. Andrew grew up in Grand Ledge, MI and graduated from Grand Ledge High School in 1989. He loved music, took piano lessons, played clarinet in the school orchestra and saxophone in the marching band. He was active in Cub Scouts, Boy Scouts, Explorers. He was baptized and confirmed with Grand Ledge First Congregational Church. He loved living in Grand Ledge because of freedom to explore and times with extended family. He also enjoyed times on the Bosworth farm in Sunfield. There were many summer adventures with family of traveling, camping, canoeing, backpacking, and time spent on the beaches of Lake Michigan and Lake Superior. He loved growing up with his beagle Daisy Mae and then with his cat Sebastian. He earned his associate degree from Lansing Community College and his bachelor's degree from Sienna Heights University. He always had a strong work ethic

which went along with his passion for driving. He worked for Yellow Cab in Lansing, drove limo, delivered pizza and flowers. He lived in Las Vegas for a few years and worked in customer services and delivery. After attaining his CDL he drove across the country as a contract expeditor. His companions on the road were his two chihuahuas Cloe and Mia. He bought a mobile home in Georgia.

His battle with cancer began in spring 2022 and he underwent surgeries, chemo, radiation and other treatment as the cancer metastasized. He hoped to live but treatment was no longer an option as infections and sepsis occurred in late June 2024.

There was no cure. He was transferred to Brightmoor Hospice in Griffin, GA and died on July 14, 2024 with family by his side.

Andrew fought through many challenges and hoped to have more life. We always thought his cause of death would occur from his harrowing accidents on the road. We were truly blessed to have him in our lives. Andrew grew closer in his faith during the past few years and knew his name was written in the Book of Life because he trusted Christ and his salvation. He was assured that we will meet again, and that he would be greeted into Paradise by angels and family who had arrived before him.

Family gatherings and family memories were important to Andrew, and he

accumulated many of his childhood possessions and other memorabilia. He is survived by his parents Allen Bosworth, Margery Briggs and Michael Judd, his aunt Julie (James) Vedder, and several cousins in MI, Ohio, and Pennsylvania. He was predeceased by his grandparents: Wesley and Waneta Bosworth, Ruth and LRoy Briggs, and Dorothy and James Judd.

A memorial service will be held Sunday, September 8, 2024, 3:00 PM at the Sunfield United Methodist Church, 227 Logan Street, Sunfield, Michigan 48890.
