“ In 1981 the Diocesan Office of Education was short staffed and Ann recommended to Bruce Fech that possibly I could fill in for a few weeks. Several weeks went by and I was offered the full time position. I worked with Ann for over 10 years until she retired. It was a very busy office but Ann was always willing to explain and help me when needed. Rest in peace Ann.

“ *Ann Swink was the lunch lady at St. Gerard grad school back in the sixties. I came from a large family so we carried a bag lunch most days. But when the monthly menu was posted and we knew what day was Pizza day my mother gave us the 35 cents for the lunch ticket and we patiently waited for the event. Ann was a stern but loving person, which you would have to be when you prepare and serve 300 children lunch every day. Still she gave the warm and fuzzy feeling of a mother filling a plate for her child. Back then Pizza was kind of a new trendy food and Mrs. Swinks was the best. I think of the memory often when I have Pizza now. Rest in peace, much love. Dan Van Aker.*
