“ *We only knew Andy a short time, but we will never forget him. What a wonderful, caring, compassionate and charming man he was. He made everyone around him feel welcome. His smile lit up the room. He had a great sense of humor, and always had a twinkle in his eye. We will miss him so much, but we know he is now in Heaven with his loving wife ---- reunited again. Thank you for making the world a much better place while you were here, Andy. We love you.*
