“ *A grandma's love is very special, a love that has no equal
For she's the one who knows, just how to make us giggle.
She has a tender smile, as her face lights up the praise,
Her presence somehow brightens up, the gloomiest days.
She has a heart that understands, to dry a painful tear.
Her care and thoughtful wisdom, are blessings from above,
YES, God planned a very precious gift,
when He gave us GRANDMA'S LOVE.
I love you Grandma still can't believe your gone! Miss You!

“ Dear Carl and Family,
I wanted to share my sincere, deep sympathy for the loss of Audrey. My mom was Joanne (Hoy Dunn) Strickland Lunn and Audrey was my mother's dearest, and closest friend for many years before she died. They were part of the "Happy Hookers" and travelled to several places as a group of fun-loving women. My mom trusted Audrey to purchase things on QVC for her and gave Audrey her credit card number so my mom never missed out on one of those "fabulous" Suzanne Sommers rings. Audrey was a wonderful friend to my mom and now I know they will hug each other like crazy and be so happy to see each other again.

I am so very sorry for your loss, but, I know that Audrey will be able to keep up with everyone else now that her earthly ailments have left her body. Our thoughts and prayers are with you.

Love,
Jane (Dunn) and Bernie Finn
