Prayers for the Sollid family. We were fond of Augie and, as the grandson of Gunda, we spent many hours talking about all of grandma's brothers and sisters and their adventures as first-generation Norwegians in the US. We were blessed to have met Augie on a few occasions, most recently at the Sollid Family reunion three years back. Condolences and hugs during this time and peace be with you. William "Billy" Denby, son of William "Bill" Denby, son of Gunda (Sollid) Denby.

So sorry that I did not hear of Augie's death until today. I would have been able to be at the funeral service and express my condolences in person had I known. Love to all his children who I have known for so many years. My best wishes will always go with you.
