“ Gerry,
Although you and I have lost contact since leaving the building on Ottawa (except for the occasional wave at a distance at Fish Fry and such events), my thoughts and hopes are with you in times like this, too. Your 43 years together have ended, but they are testament to your having been one of the good guys away from work, too.
Sincerely,
Mike Guthrie

“ I remember growing up on Elm Street and going over to the LaMere's house to hang out with Mike. Between me, Mike, and Robert Claubusch, we were like the Three Muskateers growing up. I would go over there right after school, and sometimes I would stay for dinner. I also remember my mom telling me stories of when me, Mike, and Robert were all babies that Barb, Eilleen (Robert's mom), and my mom would all go walking in the summer evening and they would be pushing all of us in our strollers. Barb was a very loving person and cared a lot about her family and all her friends. She will be truely missed. It is unfortunate that I am on a business trip and cannot say my final goodbyes to her, but please know that my thoughts and prayers are with the entire LaMere family. Jason Droste
