Tribute Wall

“ To the entire Werner Family, We were so sorry to hear about Bea. We loved talking with her at the lake and will certainly miss her witty conversation. She was always sharp as a tack. The girls loved visiting with "Miss Bea", as well as her bird. We know they will miss her as well. We will keep Bea and your family in our prayers. Darrell, Danielle, Emily & Riley

“ Bea, as I knew her, is someone I will never forget. My grandparents had a cottage 2 doors down from Bea and I remember visiting with my Grandma Dorothy Stewart. We would sit on the swing and play off the dock and there were always cookies waiting for me. I was so thankful to have someone there for my grandma and thankful for having the one of the kindest neighbors I have ever known.
