“ *Ben was one of the kindest and most selfless people I will ever know. He was the greatest friend and I give my deepest condolences to his family and fellow friends. My best memories with Ben are kayaking on the Looking Glass river. For the last 4 summers, I don't recall a week that we did not go kayaking at least once! There was a period where we went every single day for almost a month. Those times are very close to my heart and will never be forgotten.*
