“ *To family, friends, and all who knew Beth, I'm sorry for her illness and her passing. I'm a neighbor across the street for only about a year. Soon after I moved in, it was a nice sunny day, so I was sitting out in the yard, Beth and I chatted as she went up and down, up and down that ladder. My thoughts and prayers are with everyone.*

“ *So glad over the last few years we refriended from high school days. Enjoyed our time together crafting, kayaking, and going north to the cabin for CRAZY girls weekends:) Her smile and most definitely her knowledge of wildlife always amazed me. The last few months have been tiring for you and now you are alive and well in spirit.*

Much love to you Beth! You are wrapped in love and now in Ericks arms sweet girl!

Hugs to your whole family!

“ *I was very sadden to hear of Beth's passing. We grew up in the same neighborhood together and I remember her spending the night at our house. We used to braid each other's hair. Every time I go down Pickett's Way I look at the house she grew up in and think of her. I send my heartfelt condolences to Beth's entire family in their time of need. I have nothing but fond memories of Beth. Julie Sellek, formerly of Mead Dr.*

“ *Bethany and I had so much fun being in the same second grade class. Our families spent so much time together when we were growing up. My favorite was our dads Friday night bowling when we could tag along. My deepest sympathies to all of her family.*
