“ My condolences to the family. Was just thinking of this beautiful lady. I took care of her multiple times when she had surgery. She was the sweetest lady I’ve ever had the pleasure of knowing. She saw something in me that I didn’t see. I will always remember her.

“ “Mom Bev” had been a Mom to me Grandma to my children and grandchildren from my early years after I lost my Mom Betty Eby. We always had fun together I took her to her weekly hair appts. and lunches shopping Dr. Appts and of course talking on the phone nightly and exchanging many gifts. We are going to be neighbors in Heaven🙏🙏 Always in my heart and will never forget💕

“ *Cousin Beverly was a great lady. So glad I was able to surprise her with a visit a couple of years ago when we came from AZ. She would call me on my birthday and sing Happy Birthday to me and always send hugs and kisses. So glad I remembered or call her this year on her Birthday and sing to her. Always in my heart Love you.*
