“ *It is with great sadness that I received word of Bev's passing. I'll always remember the camping trips and parties and all the fun that our families had together. And with the challenges that she faced for so many years, you never would have guessed it by talking to her. Always smiling, always laughing, always bringing joy to those around her. Although she'll be missed deeply, I thank her for the many memories we shared.*

I was deeply saddened to learn of Bev's passing. I have many fond memories of our days working together at Trumark. Although we hadn't seen each other over the past few years, I will truly miss her. May cherished memories bring you peace and comfort during this difficult time. You all are in my thoughts and prayers. <<Hugs>>
