“ Bonnie raised my son, Kyle, from the age of 8 months old which is why he is the pleasant man that he is today. She taught him more than any teacher or even his parents- giving him creativity, lessons on respect and a sense of family. She will forever be a part of his best memories and ours. Of course, her own children were always the best! We were blessed to have them, Bonnie and Neal in our lives. Thank-you, thank-you Bonnie.
