“ My dad, Robert Corey, and Boyd grew up together in Wacousta. I remember as a young girl, Boyd coming to our house and he and dad would make shotgun shells in the basement. He was always very nice to us girls. Then later he married Merle and they live on Lawson Road down from us. They became members of the church where I was a member and secretary. We would always talk. He came to Dad's celebration at the Legion in 2016 and it was great to see him again and talk to him. RIP and glad you are reunited with Merle. Please tell my mom and dad hello. Prayers for the girls and their families.
