“ *The first time I met Brenda years ago, she held a special place in my heart! There was no one that was so kind to all and dearly loved, cherished and cared for her dear Anna. Anna, I am so sad for you. I just found out this sad news; gone and never forgotten♥love from Judy Vallin*

“ *It is still hard to believe that Brenda has passed. I have so many wonderful memories of her and the family!*

*Brenda and I were the best of friends until I moved to St. Louis, MO. We were always doing things together and taking care of the kids, spending time together, running kids to and from, etc. ...I struggle to find words of comfort for you but knowing your mother the way I did, she would not want you to be sad as she has went home to join the Lord.*

*She will suffer no more and her spirit will live on in our hearts and minds forever. Praying for comfort and peace during this difficult time.*

“ *Brenda was my neighbor for quite some time and we got to be close friends. She was always a joyful person whenever we chatted together. Her granddaughter, Anna and my daughter Maliah became best friends. We will always remember you and your warm smile. Rest peacefully my friend. Love, The Williams Family.*
