“ Lynn, Peggy and families,  
Just learned of your mothers passing. She was a beautiful lady. We missed her when she moved out of the neighborhood. I missed the talks we had about once a week. Catching up on everything from local news to what happened on our favorite T.V. shows. Or just watching out for each other. She will be sadly missed and always remembered.  
Our prayers and thoughts are with you at this time.

I loved her and enjoyed visiting with you guys too when you were in at my work. I have thought of you guys and wondered how Carol was many times since her move. God bless and you guys take care.
