“ Aunt Dolly will be missed for sure. I have so many memories and they all bring a smile. Easter never goes by that I don't think of her and her special Easter dinner. She was definitely one of a kind and a very special lady.

“ *Doll this is the way I will remember you. You were the love of my life. I hope I can forget all the pain and suffering you went through. You are truly missed. We all wish we had you back, but that is being selfish of us. Thank you very much for the 43 years of joy you gave me.*

When we married 43 years and 4 months ago, we had nothing in common except LOVE. I was a farm boy who enjoyed the outdoors. You were a city girl who always dressed in skirts and dresses. You always kept yourself clean and neat as well as our children. We remember the time that we went deer hunting with Donna and Larry up north and Larry and I were gone longer than you thought we should be and when you questioned me, I told you that the motor fell out of Larry's car and we wired it back in with coat hangers. You believed it. WHAT A LADY I FELL IN LOVE WITH.

We really enjoyed our time together Dolly. We never had any money but we sure did have a lot of fun together. We sure will miss you every time we come to Michigan. You have always been a good sister-in-law. Donna VanHouten

One month ago today you said good-bye to me in the hospital. I give you a kiss as the tears ran down my cheeks. They give you medications to keep you comfortable and ease the pain. One month ago tomorrow morning you left us. We will miss you until we meet again. Thank you for the 43 years of joy you gave me.
