Tribute Wall

“ Today my dad (Tom) brought by a copy of grandpa's obituary and memorial service for me and it once again struck me, the realization that grandpa Sobol had passed away. My namesake and someone that I wished that I was able to have seen more frequently and known much more about. I will always be saddened by my inability to come back to Michigan for his memorial service. I will always hold a special place in my heart for grandpa and grandma. I can remember when I was little being at their house and visiting. I can remember playing with the old Lionel train set that grandpa had. I will hold those memories close knowing that grandpa is in a better place and that one day I will see him again.##imported-begin##Casey Sobol##imported-end##
