“ We knew Chad only as customers at Lowes. He was the greatest as an employee, but also as a friend to us as customers. Mike & Nancy Zalewski, Wacousta.

“ My deepest sympathy to the family, and you are in my thoughts and prayers. I had the pleasure of going to school with Chad for many years, and will forever cherish the memories as a friend and teammate. There is a special bond that teammates share, and Chad was such an important part of that bond and our success. Rick Hollern

“ Your Father, your brother, your son was a friend and a team mate of mine during our high school football years. We lost touch after the graduation and only recently did I run into him one day at Lowes, like old times he and I stood around and joked with each other. I could see a large smile come over his face as he stood there talking about his daughters. Always keep the good times close to your hearts and never let the memories fade. Todd Hughes

“ I was honored to have worked with Chad at the Ionia, MI Lowes store. He made me laugh on a daily basis. I couldn't have asked for a better friend or Lowe's Team Member to work with. One of my favorite sayings of his was " I come to break to take works" LOL God speed my friend.
