“ My heart is heavy. Chuck was not only a dear friend but the BEST boss I ever had! He always had a smile for everyone and was undaunted in his pursuit in learning how to operate his computer. Many a time, when I walked into his office, I could see him "muttering", under his breath, at his computer. R.I.P. old friend - your wonderful smile will be remembered by all who knew you! PS

I always looked forward to sitting beside or near Chuck at family gatherings. His wit and genuine concern always stuck with me, even beyond the occasion. Chuck overtly displayed loyalty, encouragement and love that he passed around. I especially enjoyed seeing him interact with his grandson, Zach Wagner. The two of them shared a common bond and he will be missed by many. I especially want to say to Greta, how sorry De and I are. Chuck was such a dear man. We will be in contact later on as we are leaving for two weeks in Nokomis, FL beginning tomorrow. Peace and warm thoughts, Pat Fox and De Smith
