

Cherie Joy Goodrich

August 23, 1956 - November 18, 2023

Cherie Joy Goodrich of Grand Ledge passed away November 18, 2023, in Lansing surrounded by her loving family. Cherie was born August 23, 1956, in Lansing, Michigan to Roger Dean and Beverly Jane (Wilson) Baker. She graduated from Grand Ledge High School in the Class of 1974, received a Dental Assistant Certificate, and received an Associate's Degree with honors in Business Accounting from Lansing Community College. Cherie was an avid gardener; she had a big garden all of her life. She loved to grow flowers and vegetables and was always excited to share seeds with friends or helpful tips to any fellow gardener. She had a special love for sunflowers, as well as lilacs, and delphiniums. Her love of this hobby resulted in her obtaining a Master Gardener Certificate from Michigan State University. She also enjoyed cooking for others and helping others whenever she was able. Cherie was full of grace and grit for life. She fought her illness as hard as she could and passed the life expectancy given by her doctors. She had a strong love for life and loved her family and husband dearly. Her sense of humor and laugh will be missed by all.

She is survived by her loving husband, David Goodrich; children, Colleen Goodrich, David Goodrich, and Dennis Goodrich; step-sons, Gabe and Eli Goodrich; 5 grandchildren; siblings, Craig (Sue) Baker, Cindy (Brian) Ludtke and Cathy (Bob) Doolittle. Cherie was preceded in death by her dad, Roger. A Celebration of Life will be held at a later time. Arrangements by the Holihan-Atkin-Barclay Funeral Home, Grand Ledge. Share your memories and

“ As a kid at family gatherings, I always loved Aunt Cherie's stories. Though she was usually the shortest adult at these kinds of things, she really filled every room with her laughter and smile. As I grew up, I grew to appreciate more about her - her love for everything growing and alive, her adoration of her pets, and her desire to make the world love itself.

You will be missed, Aunt Cherie. I hope your heaven is full of sunflowers and cats <3

It's been almost two weeks...I was in TX visiting Sam and the girls for Thanksgiving. Our first two days there I had accept that you had passed ... Since we've been almost a week, I've had to remind myself that again that you've gone beyond as I've started to go for my phone call you ...

I went to mom's and the small vial that Dave left for us and it's small comfort but it IS something ❤️ love You
