“ Dear Frank, Meghan, & Frankie,

*You are all in our thoughts and prayers as you are going through the loss of your wife, and mom! Christine was such a wonderful, special and kind sweet woman! She loved you all sooo much and it was evident in the way she spoke about her family! She was a wonderful support to my dad when we went through his pancreatic cancer. She took time each and every day to come over and talk with him, help him or help me with whatever needed to be done whether it was medical information, or teaching me how to give him B-12 shots. She loved to watch the deer in the back yard with us and she also loved to visit and talk about what the family was up to that day! She will be missed each and every day! With all of love and support,
