“ My daughter and her family moved next door to Connie a year ago. It didn't take long for my 4-year-old grandson to find a friend in Connie. A couple months after they moved in, I asked my grandson if he had made any friends in the neighborhood and the first name that came up was Connie. He told me that she gave him popsicles - - not just any popsicle, but a 'double popsicle' that was big enough that he sometimes shared with the 6-yr-old neighbor girl across the street. A short time after that he took me over to meet Connie and after the introductions, she took him back to the kitchen and he proudly showed me how Connie let him open the freezer and get a popsicle from her large supply that he just knew was waiting for his visits. I could see Connie was the type of person that drew people of all ages and walks of life to her with her vibrant smile, twinkling eyes and joyful countenance. Family and friends were blessed to know and love this lady and will treasure their memories of this beautiful woman.

“*Connie and I worked together at Community Mental Health Board. She and I shared lunch several times a week. We talked about everything, laughed about most things and of course confided in one another. We were the best of friends for many years until she left CMH to take care of her mother and I eventually moved to Texas. She was the most beautiful person I have ever known. Inside and Out ! I stayed with Connie and Richard for a week or so to take care of Connie when she hurt her back. She loved her family deeply and always talked about her girls. She spread her love to many, many people. I don't know anyone who did not love Connie. She will always be in my heart and I will always miss her laugh and sense of humor. It is a comfort to know that she is with our Lord and I will see her again as you will. Love to all of you.*

My heart is saddened to hear that we have lost a dear friend. I as many others worked with her at Community Mental Health. Will always remember her smile & her willingness to assist anyone who needed help. We shared many laughs, tears, and yes, a few little “southern” secrets! She will be missed by all! ❤️🌸❤️
