“ Craig you were a great guy with a big heart. Always willing to chat and have a laugh whenever I saw you downtown Lansing. I always had an admiration for how cool and collective you were. I will miss having lunch with you and sharing laughs. When I look at that picture with the Detroit Lions hat, that captures exactly who you are. You are going to be truly missed Craig and I'm saddened that I didn't get to say bye before you exit back to gods arms. You were an Angel and good friend. RIP Craig forever missed by never forgotten.

*I send my condolences to the family and I'm very thankful that I the opportunity to call Craig a friend. He was a very special man!*

“ I was shocked and saddened to see this news this morning on the DTMB site. Craig and I talked a few times a year after he started working at the State of MI. He would message me on my work anniversary date and on my birthday every year. We used to have some great talks. My son adored him, and he helped my son during a trying time in his life as a teen that always endured him to me. I will miss him, he's was a great guy who will be missed by all.
