“ *Curt and I met when I started working with him and the team about 13 or so years ago. We have worked together ever since on Taco Bells, KFC's and other restaurants and we became great friends! I'll miss the camaraderie and sometimes daily communication we had for work & personal things and will always cherish the friendship that was created. It was and still is such a great bunch of people to work with! Myself, my whole family and work family up here in Traverse City send our very deepest sympathies and know that we are here for you in whatever way we can though I am sorry we can't be there for the visitation & memorial. I know Curt is riding side by sides and doing some amazing hunting up there in the heavens!!*

“ *I met Curt through the restaurant business. I sold furniture before retiring and he was the GC for many projects. He was professional, patient and taught me a lot about options in times of stress as it relates to installing furniture. He also became a good friend and mentor.
