“ Little &quot;D&quot;; I am so sad that you are no longer here with me on Earth. I want you to know that I love you very much and the pain and suffering I am feeling inside will never go away. I miss you so very much. I want you here with me right now. I want to hold you, take you places, hug and kiss you, play with you, talk to you, hang out with you, just like old times. I will always remember all of the good times we had together. Remember? Remember when we would play ninjas in the living room? Remember when I'd tickle you? Remember when we'd go bye-bye to the store together? Remember when I'd take you outside and get into the pool with you? You loved that so much. You kept pouring water over me and I'd do the same to you. Son, thank you so much for being such an Angel. You were truly an Angel sent by God and as my sister says, you are now part of Heaven's choir of Angels. I know you are happy now. I know you are being watched after. I know you have no pain. I know you are in the best place imaginable. Now you are experiencing eternal and divine happiness. Down here, we all have to wait to get there. I know you will be waiting for us all at Heaven's gate.##imported-begin##Daddy (Message 1)##imported-end##

“ I can envision you now, as we approach heaven, you are there with a big smile, welcoming us to enter Heaven. In back of you I can see all of our loved ones who have passed away. Time is of no essence up there. When you finally see us, it will be as if no time has passed. On the other hand, for us down here, it will seem like a lifetime. Time progresses too slow for me here on Earth. I guess it will be like that for perhaps the next 50 years. In the meantime, I can only hope and pray that we will reunite once again when I am no longer breathing. If I am in my last moments here on Earth, I will give one last smile, knowing that I will see you again. I'm not afraid, I'm not afraid, I'm not afraid. No longer will I be afraid of that which is inevitable. I will be there to carry you, hold you, hug you, kiss you, play with you, take you places, talk to you, and smile with you. You will see! Your dad has never let you down. I will be there once again, to look after you. I promise you that son. Know that you will always be in my heart, thoughts and prayers. I love you very much son and that is something no one can ever take away from me. Adios mijo y te veo en el mundo eterno celestial.##imported-begin##Daddy (Message 2)##imported-end##
