

Mr. Darron Jon Schneeberger

March 29, 1975 - October 17, 2011

Darron Jon Schneeberger, age 36, found eternal peace on October 17, 2011 after a courageous 5 year battle with cancer. Born in Grand Ledge, MI to Ronald and Janet Schneeberger, Darron's fondest childhood memories were of raising draft horses and playing saxophone. He graduated from Grand Ledge High School in 1993 as the state champion in saxophone. He then went on to play tenor drums in the Western Michigan marching band, and earn a Bachelors in Chemistry from Western Michigan University and a Masters in Business from Michigan State University. His adult life was filled with his work as a Principal Financial Analyst at DTE Energy in Detroit, swing dancing, spending time with family and friends, and traveling internationally. He is survived by wife Valerie, father Ronald, mother Janet, brother Cole and grandmother Mary Schneeberger. Memorial services will be held on Tuesday, October 25, 2011, 11:00 am at Holihan-Atkin Funeral Home Grand Ledge. In lieu of flowers, memorial contributions can be made to Pelotonia and mailed to 351 W. Nationwide Blvd., Columbus, Ohio 43215. Please include "In Memory of Darron Schneeberger" on memo line so donations are eligible for corporate match.

“ *I remember Darron as one of the nicest
people you'd ever meet and was fun to be
around. He worked with us here at Guardian
ordering Raw Materials and he was great to
work with. I remember seeing him on TV at a
competition in Detroit (I think at the 4th of July Celebration); he was
so happy to dance and so proud he told all of us about it so we
could watch.
My deepest sympathies to his family & friends for your loss.
Karen Kwiatkowski and his Guardian friends.*

“ *I am so sorry to hear of Darron's passing. I remember Darron as a
happy, energetic student in my 5th grade class at Wacousta and
also remember how much he cared about his horses. Even as a 10-
year-old I could see his great potential. He was a fine young man.
Please accept my deepest condolences.*

“ Darron shared a house with me in St. Clair Shores when he began working at DTE. I believe Valerie was finishing up school. In the short time that we were roomies I quickly gained a great admiration for him. He was a great guy. We'd have a couple beers, eat some pizza and watch football.

One of my favorite memories is when a buddy from Australia came to visit, and I hoped to give him an American Tuesday night out. Darron and another friend joined us and we headed to Hooters to have wings and drink beers. I think the conversation eventually turned to American gluttony...good stuff.

He was generous, hard-working and an absolute pleasure to talk to on a daily basis. My life is much better for having known him, and though we hadn't spoke in a while I will miss him.

My deepest condolences to all those who knew and loved him and were fortunate to know him better than I did.

“ I have great memories of dining and dancing with Darron in Pontiac, MI - he would drive an hour or more each way from MSU to dance he loved it so much. He taught me "when you're tired and driving late at night, turn on the A/C: no one ever sleeps when they have cold feet!" Seems like a silly memory, but he will be remembered fondly for his vivacious dancing, his friendship, and his smile.
