“ My sincere condolences to the family. Daryl was a very very good friend and close co-worker for 40 years. He has impacted my life forever.

I met Daryl working for the State of Michigan on the night shift computer room in 1977. I remember his cigar in the printer area. Eventually he was my manager. I was on maternity leave, when programmer job openings were posted, he had Joe Distel drop the applications at my house. I would have missed it, if it wasn't for Daryl. Later in our careers with Don Coble we specialized with the File Transfer Service. We have a lot of stories and memories.

Rest in peace, my amigo. 🙏
