“ Anita and Sara:My thoughts are with you and your families during this time of loss. I'll never forget the spunk, dedication, friendship, and pleasure David gave me while working at GLPD. David was one-of-a-kind that's for sure...His bark was always louder than his bite, until you felt his "Teddy Bear" kindness. The times we shared as friends and co-workers will never be forgotten. David was a person of respect and recognition for his guidance he gave to many. David will be missed, but remembered as a "pillar" at the Grand Ledge Police Department.Sincerely and Respectfully to the "Life" of David,Dan Southwell###imported-begin##Dan Southwell###imported-end##

“ I read about your husband's passing, Anita, and that he was a well respected and diligent servant of the G.L. community on its police force and will be greatly missed. I did not know David but the article gave me the feeling we need more like him. My thoughts and prayers are with you and your daughter at this very difficult time.###imported-begin##Jean (Bierwagen) Chingman###imported-end##
