“ Oh where to start when your dad and best friend is no longer here. I called him almost every day to tell him what scrap I was hauling or talk about life issues. We would always joke who had more miles under our belts. He always gave me BS bit loved when I would show up unexpectedly even if it was for only couple hours on a Sunday. Gonna miss his voice and advice and my personal time with him at the cabin and the Lake. Love ya so much Dad. Don't know how bad this hurts.

“ My earliest memory, is when Dave made me a bear shaped birthday cake for my 5th birthday. It was mostly white and pink and had a giant number 5 candle. I thought is was the coolest cake I had ever seen. He also made me a cardboard box little play house that had curtains and a door. He has always have been a father figure to me since I was four years old and I'm gonna miss him so much. We will keep your spirit alive.

“ To my older and only brother, David, we will miss you. You walked me down the aisle at my wedding since dad died so young. You were Matthew's godfather. When I was sad over Matthew passing away, you were there to talk to me and called me "Honey". We lived so far apart but I knew we could talk and when we visited from Minnesota, we always tried to stop and see you. My heart breaks but I know you are with Mom, Dad and Matthew and are looking down at us and watching over us.

Love you always,

Ann Marie and Sam
