“ *Heartfelt condolences to the family. Dave was one of the best friends I've ever had, sealed in everything from work challenges to howling with wolves in an area of Alaska so remote you couldn't even get an AM radio signal. He was an amazing soul with tremendous faith, and when we lost our oldest son in Iraq he was an incredible source of support and strength. Earth's a little darker with his passing, but Heaven's even brighter. Godspeed until we meet again, brother, and thank you*

“ *RIP Dave and may God Bless and hold your family during the days ahead. You were such a blessing to us and I will miss hearing your laugh. Serving with you as a First Sergeant in AK I learned you cared for everyone in you squadron and around the entire wing.*

“ *We have lost a beautiful man of God. Thank you David, for your love and service during your time on this earth. Thank you for your integrity and your heart. Your life was way too short for all of us, but we know you are at peace with the 'heavenlies'. God bless you, your wife, your children, your grandchildren and all of your family. May your beautiful mother welcome you "home" with open arms. She was the first to hold you when you were born and she is holding you now. You left an important legacy and we are so grateful. We love you, my dear cousin. Ricky*
