“ If it wasn't for you, my children would have never known the REAL meaning of what a Grandma does. I miss knowing your there, you will forever be in our hearts and memories. You gave and gave and gave, and now it's time for you to receive, your rest. I have always LOVED you so much, and I am the luckiest mom in the world that you choose my girls, along with so many other's, to love, unconditionally. Fly high, lil Angel.

“ I am speechless, my heart goes out to ALL. Debbie has always been one of my most favorite people, she was so giving and kind. We had many good times together filled with laughter and fun. I have been missing her so in life because we have not seen each other for many years and now I never will again. It saddens me greatly to learn a wonderful person like Debbie has left this earth but I have no doubt she is in a better place. I loved her....as the tears flow down my face.

“ She would light up the room she was in. When my grandfather passed I didn't handle it well, my mom called Debbie and she came and picked me up. She took me to see Jaws. There was a carnival going on in the mall parking lot. She took me on the zipper. They both scared me, but it took my mind off my loss. She was always so positive and happy. I'm going to miss her.
