“ *Mom...I miss you every moment and can't believe your gone. You were beautiful on the inside and outside and you gave everything you had to your family and friends...you were the least selfish person that I know. Your granddaughters will cherish all the fun times they had with you (as there were many) and laugh at the times you tried to scold them. Your son in law already misses the bantering back and forth and as we both know there was plenty of it but loved you with all his heart and you know how hard it was for him to save I love you but you taught him to. We love you to the moon and back. XOXO Your Daughter.*
