“ I’m pleased to have been a friend of Denny for many years. The good times that we shared are too numerous to count and included everything from fishing to farming and on occasion sharing a few beverage. (Bottoms Up and cheers to his life well lived.) He was one of a kind and he left me with many wonderful memories that I’ll cherish forever. It’s impossible to think of Dennis without a smile on my face. We will all miss him a lot . ‘Thanks for having been my friend.’ PS, It took a wonderful lady like Tina to make his life complete. Dwayne
