“ Dianne was ALWAYS a ray of sunshine to me...I can't remember a single time I've been around her that she didn't praise my beauty or morals or just plain laugh at/with me. And she knew me all my life...quite possibly she was the first "other" adult to see me after I was born besides my parents...she almost ALWAYS had to bring up my "frosted tips" I had when I was born (they did look pretty professional). Dianne, you will be missed dearly!! I am glad I was able to spend a little time with you a few weeks ago per chance!!
