“ *We will all miss Dee. She was a part of our day, everyday. Her beautiful smile, and great sense of humor!! She was so active in our community, attending all sorts of events and constantly playing Skip Bo out in the living room! She was a super lady and good friend. Our condolences to Dee's family. We loved your mom and will miss her very much.*

“ *To me, Dee was someone I wanted to be my Grandma. I even asked her if she would be. Boy did she laugh. I was just little girl and didn't know I shouldn't say those types of things. However, I really did want her to be my Grandma! She was always funny, lovable, and welcoming. She and Tony and both of their extended families were/are like family to us. All of our love goes out to them at this difficult time. I'll always remember the Hawaiian words Tony and Dee taught my father, Ed. It sounds something like this -- "Willa ka how wa." It means, "We're having a good time." Dee always tried to have a good time and tried to make sure everyone did also.*

All Our Love,

Carrie (Walco) and Chris Bowman and Family
