# Tribute Wall

“ My condolences go out to all the Graeber family, Don was like a brother to me for roughly fifteen years.I was hired at the City of East Lansing water department to take his place while he was in the service,I didn't know how he would feel when he came back to work and met me but it was a friendship that would last a life time. Him I and Bruce had some of the best times a person could ask for and some that people remember and probably still talk about yet today. Our wife's met up and we were inseparable from that point on when you would seen one of us the others were close by. I'm sorry I'm unable make it over to the funeral home but I would like to let the family know how much this man meant to us and how much he will be missed.May God be with your family. Lonney and Sandy Haselby Dansville,Mi.
