“ I love the happy memories of the Miller family as I was growing up in Potterville, Mi. Don and Helen were good friends of my parents and they saw each other frequently. Remembering Don's friendliness and smile, calling me Dutchem because I couldn't talk plain when I was a little girl. I remember what a great Dad he was to Bonnie and Carol. His wife, Helen was also a favorite of mine; I can still hear her laugh and see her smiling face. Carol was one of my best friends; we grew up together, and although I seldom see her, she is still precious to me. We've had many laughs together and good times. After we were both married, our children were good friends. What a sweet person Don and Helen raised. Bonnie, was fun too, and a good friend. Yes, the Don Miller family has been in my heart for a long time and always will be. I thank God for each one of them. I send my sympathy to the family and want them to know, I love them and am praying for them.
