“ *I worked for Doris she was a great lady with a big heart. A work day that stands out the most. We was at work at the bait shop. And Doris last min deiced she wanted to go to the casino. So she had her husband watch the store and her and I went to the casino. not only did she pay me for a full day of work but she gave me \$40.00 to go with her. so I could have spending money. She will missed deeply. my heart and love goes out to her children. Love Leah (Gilmore) Beard.*
