“ *I am so sorry to learn Doug has passed away - way too young. We worked together at the Department of Social Services for many years. My best memory is the long bike ride and pig roast at his house on a lake. He was a very kind person. Sad.*”

“ I really miss Doug, he was a wonderful and kind human being. I thought of him recently, of giving him a call and touching base. I last saw him at Ken Wilke's funeral and invited him to it and we spent time at the wake. I had such a wonderful time spending time with him also, when we worked together at Family Independence Agency, where I was a student between 1995 1998. “ Doug was a very close friend through years of working together and going on breaks. After we both retired we kept in touch by email, and he even rode his motorcycle down to Jackson to visit. He was truly a great guy, and will be missed by many.##imported-begin##Fred King##imported-end##

“ We are saddened to learn about Doug's passing, because he was a wonderful person to know, both personally and professionally. We retired at the same time Doug did, in late 2002, and lost touch with him afterwards. Age 62 is much too young to die, our sincere condolences go to his family, and you are in our thoughts and prayers.##imported-begin##William and Diane Burns##imported-end##

“*Doug was one of my younger cousins, so it is always hard to say goodbye to someone when he is younger than I am. I am grateful that I visited Doug and Anita last summer when he was still feeling well. I am sorry that I didn't get to know him better, but he will be missed--an empty spot in our family.*Barb Martin###imported-begin##Barbara Green Maratin##imported-end##
