“ I'll always consider Doug as a good friend and a reliable person who did an honest days work of high quality, at a fair price. He completed two major jobs for me and several smaller ones always on time and at the price quoted.

His was always willing to help share his knowledge and helped me with sound advice many times. I enjoyed visiting with him during his times of trouble and illness and appreciated his quick wit and sense of humor.

I'm sorry I wasn't in Michigan when he passed, I would have liked to say Good Bye in person.

Ps; Doug will always remain close to my wife and me, because he gave us our beautiful cat "Mysty". The best cat we've ever had.

We'll miss you Doug,

Roy (Butch) & Carolyn Schrauben
