“ *Sunday Mornings at Grandpa Mikes talking politics, stocks, business, life stories... Over a delicious Sausage Biscuit, Hashbrown and plain Black Coffee from McDonalds (his favorite breakfast).*

Grateful for the time I had with ya! Much love!

“ *Mike was our Director at the State and always an honorable boss. He defended his employees often since the blame was often put on the Accounting Department whenever something political happened. Always easier to say "Clerical Error" than the truth for the news. He was strong, had many memories he carried inside others didn't know about he brought with him from growing up and his military years. I had a great deal of respect for him. Was glad to hear he when to live near his family after retirement.*
