“ I grew up living next door to Eleanore. Her lawn did not have a weed, she had a hand-crank washing machine and the best sweet pickles. She was a great neighbor and lady.

“ *Roberta and family,
I am so sorry to hear about Eleanore, she was my neighbor for 28 years and after I moved, would see her in the cemetery walking with her friend. I drove by her house yesterday, and things just seemed strange to me. We've had many long chats together, she was a great lady and a hard worker. Always working in her yard. My sincere sympathy to you and your family.*
