“ It is not the same around here without seeing you each week with Buddy. Since I met you back in 2015 with Snappy, you have always felt like a beloved family member to me. I always admired your honest frankness when we talked and your fierce love for animals. Thank you for all your kindness and generosity and for being a wonderful dog owner. You will forever be loved and missed. Give Snappy and Stuie lots of hugs and love from me. Love, Naomi

“ I know you are still with us in spirit Beth but we miss your beautiful face and smile everyday. You were a beloved grandma to us. Thank you for your kindness over the many years towards us and our service, you had the most generous heart and you were the most loving dog owner to Snappy, Stuie, and then Buddy. Buddy will never want for anything so don't you worry. Rest in peace and say hi to the pups for us.  
Love you always,  
Stephanie

“ Oh, Bethie! How I miss you! Our daily phone calls, your doctor visits, our adventures! I wish we could have done our spa weekend, our week at Crystal Lake, our stay at Firekeepers, and our surprise visit with Craig in Florida! You are with Stuie now and I know that makes you happy! Please give Wanda a spin if you are up to it! Love and friendship forever, Patti Kares
