“ *Enna was a valued employee at Miller Animal Clinic for many, many years. She was office manager when I was hired on as a 16 year old in 1984. I have so many memories of Enna while working there until her retirement in 2000. Her name comes up many times while reminiscing about the “old days” at Miller Animal Clinic with the few of us left that worked with her. Rest In Peace Enna. With sympathy, Lynn Sharples, Tony Kooney and the staff at Miller Animal Clinic.*

“ *Enna was our next door neighbor for nearly 5 years when we were newly married. We enjoyed going over to her house and hearing her stories--she was so proud of her family. She was part of a special generation- a hard worker and overall kind person. We were looking forward to introducing her to our baby daughter but circumstances didn't allow for that this year. We're glad her health problems are no longer burdening her. Rest in peace, Enna! Our prayers are with her family. Cale and Katherine Bennett*
