“ I will always treasure the memories of going to your house every year for the 4th of July gatherings. And the week I stayed at your house and someone peeled the bark off the tree (me). At dinner Uncle Gene didn't name names but said whoever is peeling the bark off the tree please stop. Love you and Delores always, Mitzi

“ Words can not express how much I will miss my dad, he was a good hard working man who always took such great care of his family. He will be missed so much. Always enjoyed the times we were together.
