“ To Evelyn's family, Please except our condolences & heart felt sympathy for your loss. Evelyn was my cousin, we met her a few years ago while each of us were researching our family history (on the Internet). My sister's and I made a trip to Grand Ledge to meet her. Evelyn took us to the area cemeteries, libraries court house etc. she showed us where our grandparents and other family members were buried. We had a great time together that day comparing our information etc. Later we attended a 'Merritt Family Reunion' at her home in Grand Ledge. Evelyn, Ron & a couple of her Grand children made a trip to East Jordan a couple years ago to attend our 'Merritt Reunion'. Even though we had known Evelyn only a few short years we all felt as though we had know each other a life time. Her Great Grandfather (Soloman Merritt) was our Grandfather.##imported-begin##Marlene (Merritt) Hammond##imported-end##
